

GCSE English Language Assessment Programme

**SWANSEA
COLLEGE**

Building foundations for your future

The GCSEs in English language require a speaking assessment. This usually is a short presentation, and a group discussion which is recorded*, assessed and sent to the exam board for external marking.

If you are re-sitting the qualification then you can cash-in the Oracy component from previous exam series and take the written exams only.

*This is normally a video recording but can be an audio only if specifically requested.

Option 1

Cash in Unit 1: Oracy from previous attempts

Option 2

WJEC GCSE English Language Assessment Programme

Option 3

Your Oracy has been assessed and verified by a distance learning provide. We require all the evidence, students work, recordings, tutors assessments and a tutor letter verifying the students work:

It is a requirement of the qualification that our teacher / assessor certify that the Oracy presentation is the candidates own work, and so we have created the following programme to comply with WJEC's requirements.

Therefore, if you want to take the full WJEC English language GCSE here, you will need to attend our GCSE English Language Assessment Programme.

Dates will be confirmed in an email once you have booked the exam.
