

Dear external candidates

We are pleased to announce that we are offering a mock assessment service to private candidates to help students prepare for their upcoming exams.

Our mock assessments are designed to give students a realistic experience of the assessment process, allowing them to become familiar with the format and content of the exams they will be taking.

Our mock assessments are tailored to the specific tests and exams and are designed to help student become more confident and prepared for the real exam. We will provide students with a raw mark and feedback on their performance, allowing them to identify areas of strength and weakness and focus their revision accordingly.

We understand that preparing for tests and exams can be a stressful time for both students and family members, and our mock assessments are designed to help alleviate some of that stress. We believe that our mock assessments will give students the best possible chance of success in their upcoming tests and exams.
