Year 2	Mock assessment period	From 8 March 2027 · exact sitting to be confirmed	Published mock window

Attendance confirmation and assessment preparation

- Attendance confirmation: You must confirm your attendance at least THREE DAYS before each Key Assessment.
- Complete the attendance confirmation form

- Early login: You must log in at least 20 minutes before your scheduled assessment start time. The online meeting link is available on the Student Hub.
- Room and equipment: Before joining, ensure your full working environment is prepared in accordance with the Key Assessment Rules & Instructions. Your printer, scanner and all required devices must be set up in the same room.
- Mobile phones: All mobile phones must be switched off and kept out of reach and inaccessible throughout the assessment.

Important: Indicative coverage may be adjusted by subject to reflect the order and length of the course. Any change will be communicated in advance.

Key Assessments are completed online under supervised conditions. Please refer to the separate Key Assessment Rules & Instructions document for attendance, technical setup and submission requirements.
